ANTICA FRATTA FRANCIACORTA ESSENCE BRUT 2014

WINE ENTHUSIAST 2019

You write Essence Brut and you read essence of Chardonnay. Only the best parcels, enriched with small additions of Pinot Noir vinified in white. Three years on yeasts in search of the right degree of complexity that exalts the elegance and pleasantness of the fruity and floral aromas characterising the "Antica Fratta style", without ever penalizing its pleasantness to drink. Very elegant as an aperitif, an eclectic wine to accompany meals and a highly refined break in a frenzied lifestyle.

ANTICA FRATTA FRANCIACORTA ESSENCE ROSÉ 2014

WINE ENTHUSIAST 2019

Antica Fratta takes its first step towards the future, one in which pleasure and approachability encounter complexity and structure. A union that strikes the eye as much as it does the other senses, yielding a Franciacorta whose finesse from Chardonnay enjoys the fruit brought to it by Pinot Noir. The eye and the nose enjoy it before the mouth: a refined, pale rose announces scents of country woods and fruit preserves, polished by 36 months sur lie. Sensuous, elegant, eclectic, a wine perfect for any moment, and with any dish, to be enjoyed with the finest charcuterie, but with meat dishes as well, and full-flavoured fish preparations.

An elegantly fresh, vivacious and full Franciacorta, characterized by pleasing fruity and floral aromas. Obtained from Chardonnay grapes after more than 24 months on yeasts. Excellent as an aperitif but it can also be served throughout a meal; it is particularly suitable for delicate dishes of fish and white meat.

ANTICA FRATTA FRANCIACORTA QUINTESSENCE EXTRA BRUT RISERVA 2007

WINE ENTHUSIAST 2019

That harvest showed itself propitious. The clusters came into the cellar sound and concentrated, perfect for Franciacorta base wines of great complexity and varietal fidelity. Chardonnay clusters were pressed that had been hand-selected from mature vineyards which promised long-lived wines. The following spring, a cuvée was assembled in which the elegance of the Chardonnay retained its edge over the structure provided by the Pinot Noir. The maturation had to be lengthy, five years sur lie, and the character of the wine fine enough to support a very low, Extra Brut style dosage. Thus was born Quintessence, the very crown of the Antica Fratta project, quintessence of its history and that of its growing area. Seven thousand bottles were made, encased in a costly custom box that underscored the precious value contributed by its grapes, the expertise of its oenologists, and its long evolution in the cellar.
